

## The JamesWay™ System – Price list

*Below is the price list of the JamesWay™ services. The prices are subject of change at any time; the current price list is always posted on our web site [www.thejamesway.com](http://www.thejamesway.com).*

*We strongly recommend that you have a minimum of 15-25 000 USD to invest in your trading. The goal of the JamesWay™ System is that you make at least 2 % revenue per trading day.*

### Basic fees

The basic fees are:

Basic fees	Trial period	1 quarter	12 months	Note
JWS license	FREE	1295 USD	3 000 USD (save 2180 USD)	includes a free subscription of the Trade Mail
eSignal charting program	30 USD + VAT			

### Join our Trade Alongs for free

The best way for you to understand the power of the James Way Trading System and all its features and advantages is to try our Trade Alongs for free. We recommend you start with a short webinar presentation to really understand what the JamesWay System is all about and after that, join up to 5 Trade Alongs during 30 days for free. You will also get free support for all your questions.

### Trade mail

The James Way Trade Mail is perfect if you find day trading too time consuming or too advanced. It is a newsletter subscription service that every morning gives you information on potential trades.

All you need to do is to place your orders at 10.00 (EST) and check at 16.00 (EST) that all positions are closed. The system does the rest for you! See our web for current profit data.

Subscription	Trial period	1 month	3 months	12 months
Trade Mail	FREE	95 USD	225 USD (save 60 USD)	595 USD (save 545 USD)

### Trade Alongs

When you have had your webinar and want to join our Trade Alongs you will also receive the A-level trading documentation, which is the basic training you get before you join the Trading Room. The goal is to teach you the basics of how to read a chart and how to place an order so that you have all the basic knowledge you need to follow the Trade Alongs.

The A-level training includes:

- Comprehensive documentation
- Newsletter
- Free support from your JWS contact
- Invitations to 5 Trade Alongs

## **Trading Seminar**

Our 2-3 days trading seminar is a very profound trading education. You will learn how to analyze a market yourself and how to apply this knowledge to the JWS trading rules. The biggest goal with this seminar is to provide you with the knowledge of how to evade many of the losing trades, to really know where to place your stops and to learn how to make projections as to how far you can take a winning trade.

You can sign up for the 2-3 days trading seminar at any time.

The 2-3 days live or web seminar includes:

- Trading patterns and strategies
- Market Dynamics
- Price Action
- Market Demand trading strategies (know when a breakout trade is real)
- Entry and Exit strategies
- Stop loss strategies – Learn where to really place your stops
- Projections – Learn to project a price movement for you winning trades
- A clear and time proven set of trading rules
- Comprehensive documentation

## **Fund trader seminar**

The fund trader seminar is an entire new level of education, a week long seminar. The goal is to teach you how to trade a large account and know how the “big boys” think. Trading a large amount of money requires the right tools and knowledge which will be provided in this seminar.

In this seminar you will have the chance to live trade with James, the inventor of the JamesWay™ system, as well as JamesWay™ mentors. James has been a fund trader for over 10 years, knowing how you have to act to invest large amounts of money in the markets. His training will help you see the big picture and really understand how large amounts of money have to be handled in the markets.

This seminar has the goal to make you a professional trader. That is why we recommend you have at least 6-12 months of day trading experience before signing up.

The seven day live fund trader seminar includes:

- New 1 year JWS-license
- New 1 year license for the STAT trader – the tool needed for handling large accounts (7000 USD per year)
- Interact and trade together with the inventor of the JamesWay™ System and other JWS-mentors for an entire week
- Live trade together with James
- Learn to think like a trader (psychology of trading)
- Learn how to handle a large account
- Comprehensive documentation
- Newsletter
- Free support from your JWS mentor
